# CURRENT SKILLS

I possess problem solving skills, communication skills and leadership skills.

However, I am eager to acquire technical skills in coding especially JavaScript, Python and many more programming languages or areas of interest, e.g., web development ,data analysis].

I love to cook and bake and I am socially active.

# WHAT BROUGHT ME HERE?

*When I was doing google IT Support and Cbersecurity, I realized that technology drives innovation and progress so I want to be part of this movement, leveraging coding skills to address social issues and bridge the digital divide*

# BY ACQUIRING CODING SKILLS, I ENVISION EMPOWERING:

- *My Community*

Creating digital solutions for education, healthcare and economic growth

- *Fellow teen mothers and teenage girls from MF*

Inspiring and equipping them with skills to break the poverty cycle

- *Myself*

Unlocking opportunities for personal growth, confidence and self efficiency

*I AM ALSO AN SDG CHAMPION FOR  
MUNONDIDA FOUNDATION WHICH  
IS SDG 3 : GOOD HEALTH AND  
WELL -BEING*

# THANK YOU FOR GIVING YOUR TIME!

*I'm looking forward to learn, grow, and make  
a meaningful impact*
